

Moulton Panther's Report for the Annual Parish Meeting

The Under 9's, run by Mark McTrusty, have had an excellent first year with the club, winning many matches and reaching the up and coming Cup final, we wish them all the best.

The Under 10's have had an up and down season with losing some players but the ones that have remained really did come together as a team. With some results not necessarily going their way, they battled hard and produced some amazing performances all round and drew some record breaking crowds to the playing field.

We say goodbye to the Under 17's this year as they look to potentially take a step into adult football. Again as a club we wish them all the very best.

Football has been present in the village for over 50 years I'm led to believe. However, it's in danger of becoming a distant memory because of lack of volunteers and some people's views on uses of the facilities. I would strongly urge the community and village to support the club and to keep its history going so that you have somewhere for your children to enjoy their football.
